

## **Baylor College of Medicine Children's Foundation-Uganda (Baylor-Uganda)**

### **Call for applications to conduct the End of Project Evaluation of the Baylor Uganda ACE-FORT project being implemented in Fort Portal region**

Baylor College of Medicine Children's Foundation-Uganda (Baylor-Uganda) is an indigenous not-for-profit child health, HIV care and development organization that is implementing a 5-year PEPEFAR/ CDC funded project in Fort Portal region titled "***Accelerating Epidemic Control in Fort Portal Region in the Republic of Uganda under the President's Emergency Plan for AIDS Relief (PEPFAR)***".

The project, which commenced in April 2018, is currently in its 5<sup>th</sup> and final year of implementation and is scheduled to close 30<sup>th</sup> September 2023. As such it is due for an end of project evaluation of its achievements in relation to its objectives.

This is a call for applications to conduct the End of Project Evaluation of the Baylor Uganda ACE-FORT project. The deadline for submission of applications is **9<sup>th</sup> May 2023**. For details of the call for applications, please visit the Baylor Uganda website at: **<https://www.baylor-uganda.org>**. (see under "BIDS").

**Procurement Reference Number: BCM-0450- 2023-RFP**
